**JURISDICTION AND VENUE**

1. This action is brought by the Plaintiff, Leland Foster, individually, and on behalf of individuals similarly situated, pursuant to the enforcement provision of the American with Disabilities Act of 1990 (the "ADA"), 42 U.S.C. § 12188(a), against the Defendants as delineated herein.

2. The Court has jurisdiction pursuant to the following statutes: 28 U.S.C. § 1331, which governs actions that arise from the Defendant's violations of Title III of the ADA, 42 U.S.C. § 12181, *et seq.*; 28 U.S.C. § 1331, which gives the District Courts original jurisdiction over civil actions arising under the Constitution, laws, or treaties of the United States; 28 U.S.C. § 1343(3) and (4), which gives District Courts jurisdiction over actions to secure civil rights extended by the United States government; and 28 U.S.C. § 1367, as Count II utilizes the same core of operative facts as Count I, and is therefore subject to supplemental jurisdiction.
3. Venue is proper in the Eastern District of Michigan as venue lies in the judicial district of the property *situs*. The Defendant's property and operations complained of by Plaintiff are located in this judicial district, where the business of public accommodation is conducted, including the acts complained of herein.

#### **PARTIES**

4. Plaintiff, LELAND FOSTER ("Plaintiff" or "Mr. Foster"), is an Ohio resident, is *sui juris*, and qualifies as an individual with disability as defined by the ADA, 42 U.S.C. § 12102(2), 28 C.F.R. 36.104.
5. Defendant WHITMORE LAKE HOTELS, INC. *DBA* the Best Western of Whitmore Lake operates and owns a hotel located at 9897 N Main St, Whitmore Lake, MI 48189 in Livingston County. Plaintiff has patronized Defendant's hotel and business previously as a place of public accommodation.
6. Upon information and belief, the facilities owned by WHITMORE LAKE HOTELS, INC. *DBA* the Best Western of Whitmore Lake is non-compliant with the remedial provisions of the ADA. As Defendant owns, leases, leases to, or operates a place of

public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104, Defendant is responsible for complying with the obligations of the ADA. Defendant's facilities as a hotel and place of public accommodation fails to comply with the ADA and its regulations, as also described further herein.

7. Mr. Foster is an individual diagnosed with cerebral palsy and permanently uses a wheelchair for mobility. Plaintiff has difficulty grasping with his hands also as a result of his disability. As such, he is substantially limited in performing one or more major life activities, including but not limited to, standing and walking, as defined by the ADA and its regulations thereto. On or about February 20, 2015, Plaintiff visited the property that forms the basis of this lawsuit and plans to return to the property to avail himself of the goods and services offered to the public at the property.
8. Mr. Foster is an avid adaptive sports enthusiast and participates regularly with the active local adaptive sports community, including hand cycle events and adaptive skiing in Southeast Michigan. Leland Foster frequents many establishments in the Livingston County region, in particular those in close proximity to Mt. Brighton ski resort and has visited and been a customer as an overnight guest at the property that forms the basis of this lawsuit. During the Plaintiff's stay on the night of February 20, 2015, Plaintiff encountered architectural barriers at the subject property that contravene the ADA and its regulations. The barriers to access at the property have endangered Plaintiff's safety.
9. Completely independent of the personal desire to have access to this place of public accommodation free of illegal barriers to access, Plaintiff also acts as a "tester" for the purpose of discovering, encountering, and engaging discrimination against the disabled in

public accommodations. When acting as a "tester," Plaintiff employs a routine practice. Plaintiff personally visits the public accommodation; engages all of the barriers to access, or at least all of those that Plaintiff is able to access; and tests all of those barriers to access to determine whether and the extent to which they are illegal barriers to access; proceeds with legal action to enjoin such discrimination; and subsequently returns to the premises to verify its compliance or non-compliance with the ADA and to otherwise use the public accommodation as members of the able-bodied community are able to do. Independent of other visits, Plaintiff also intends to visit the premises annually to verify its compliance or non-compliance with the ADA, and its maintenance of the accessible features of the premises. In this instance, Plaintiff, in Plaintiff's individual capacity and as a "tester," visited the Facility, encountered barriers to access at the Facility, and engaged and tested those barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access and the ADA violations set forth herein.

10. Plaintiff has a realistic, credible, existing and continuing threat of discrimination from the Defendant's non-compliance with the ADA with respect to this property as described but not necessarily limited to the allegations contained in this complaint. Plaintiff has reasonable grounds to believe that he will continue to be subjected to discrimination in violation of the ADA by the Defendant. Plaintiff desires to visit the Defendant's place of business again on future occasions, not only to avail himself of the goods and services available at the property but to assure himself that this property is in compliance with the ADA so that he and others similarly situated will have full and equal enjoyment of the hotel and its amenities without fear of discrimination.

11. The Defendant has discriminated against the individual Plaintiff by denying him access to the full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the buildings, as prohibited by 42 U.S.C. § 12182 *et seq.*
12. The Defendant has discriminated and is continuing to discriminate, against the Plaintiff in violation of the ADA by failing to, *inter alia*, have accessible facilities by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000 or less).

The individual Plaintiff, and all others similarly situated will continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein.
